ABOUT US

REBALANCE GOLF Corporation is South Korea's leading manufacturer and distributor of premium recycled golf balls for global B2B partners. Headquartered in Gwangju, we operate a state-of-the-art logistics and processing center engineered for high-volume export. Every ball undergoes our proprietary multi-stage QC process before shipment — we restore, we don't just resell.

6-TIER GRADING SYSTEM

Grade	Label	Condition	Best For
A+	Pristine	Indistinguishable from new. Zero blemishes.	Premium retail / tournament resale
A	Mint	Minimal marks visible only under close inspection.	Driving range / club resale programs
A-	Near Mint	Light scuffs or minor discoloration.	Mid-to-upper retail / range packages
B+	Good	Visible scuffs, slight discoloration.	Mid-tier retail / recreational resale
B	Standard	Noticeable wear; logo may be faded.	Academy training / budget retail
C	Practice	Significant cosmetic wear; structure intact.	Driving ranges / bulk practice lots
